Let us waken up to the necessity of
getting every man, woman and child

them feel the appeal of that service so
keenly that they will continue to go.

Preparedness is the slogan of the day
everywhere! It is being urged and
talked along every line from our United
States navy and army to the advertising
columns of the magazine.

Why not use it in our "Go-To-Sun-

The Record suggests that a committee
be appointed whose duty it shall be
to formulate plans for a home-coming
invitations to be sent to all known
wanderers from the best county in Ken-
tucky, and that a hospitable people wel-
comes them on their return, and also,
incidentally mention that the hen
roost will be robbed and the fatted
calf killed for the occasion.

This government will not longer dally
with Mexico. Patience has long since
ceased to be a virtue. Instead of the
U. S. fixing a time limit to withdraw
from Mexico, that recent set of out-
laws should be given a time limit of
establishing a stable, responsible gov-
ernment under penalty of the U. S.
establishing a respectable government
for them. The army of this country,
now being directed to the border, will
convince the Gringos that we mean
business, which will likely end the
trouble.

SCHOOL ELECTION.

The election of a trustee for the Lan-
caster Graded school created much in-
terest last Saturday and resulted in the
election of former trustee, Dr. J. A.
Amos and the defeat of Mr. J. W. El-
more, who stood for re-election, by Dr.
W. M. Elliott by a majority of 163
votes. About three hundred votes were
cast and quite a number of ladies ex-
ercised their right of suffrage by voting
for their favorite candidate.

HELEN KELLER FAINTS.

Atlanta, Ga.—Helen Keller, the
world's most famous blind and deaf
woman, "listened" to Enrico Caruso,
the world's most famous tenor, in the
parlor of a hotel here. She placed her
fingers on his lips and throat and
"heard" him sing the heart-breaking
lament of Samson, the shorn and blind-
ed giant, as he grinds the corn for the
Philistines, who have made him prison-
er. The tenor was so overcome that he
cried like a child while Miss Keller
fainted with emotion. A number of
opera stars who saw and heard the in-
cident were deeply affected.

MURPHY WILL PROBATED.

In the Lincoln County court last Mon-
day the last will and testament of the
late W. H. Murphy was admitted to
probate. The will was dated in 1912
and devised that his widow receive one
half of his personal property, and one
third of his real estate, the remainder
to be equally divided among his five
children. His estate is estimated to be
worth about \$40,000.

WALTON-CARTER

Miss Lucy Lee Walton, the beauti-
ful daughter of Mr. Ed C. Walton, of
Stanford, was married Tuesday night
to Mr. Carl Carter, formerly of the
Lincoln county capital, the nuptial
ceremony occurring at the home of the
brides uncle, Mr. Thomas Walton, in
Atlanta, Georgia. The marriage vows
being solemnized by the Reverend Fos-
ter, a Christian minister. The couple
left at once for Asheville, N. C., where
the groom has a good business position.
The marriage comes as quite a sur-
prise to the relatives and friends of
the contracting pair as Miss Walton
left home about a week ago for the
Georgia Metropolis giving no intima-
tion of her approaching marriage.

HIGHLY HONORED

Miss Alice Rigney, who was a dele-
gate to the Kentucky Christian Endeav-
or Union from the Presbyterian church
of this city, was highly honored and
complimented by that body while in
session at Lexington last week. As is
usual many are asked to take notes of
the convention while in session and at
the conclusion of the meeting these
notes are submitted to a committee as
to their accuracy and neatness, and to
the gratification of her host of friends
here, Miss Rigney was one among a
few that was awarded a certificate and
her name placed on the "Honor Roll"
for her neat and well kept notes. Miss
Alice is the charming daughter of Mr.
and Mrs. W. O. Rigney and is popular
among the younger set, being a mem-
ber of the Junior class of our high
school.

AWFUL ACCIDENT.

Howard Jones, son of Mr. Jeff Jones,
was instantly killed this afternoon near
the Port in the outskirts of Danville on
the Stanford pike when he was run
over by the large truck of Taylor and
Son.

Particulars regarding the accident
could not be learned as the Advocate
went to press. One report was that
Mr. Jones attempted to board the truck
while it was in motion and lost his bal-
ance and fell beneath the wheels. The
truck is being used in hauling crushed
stone from the quarry to Danville.

Mr. Jones was a splendid young man
and was about twenty-four years of
age. The horrible accident came as a
great shock to the many friends of the
Jones family in this city. The machine
was being driven by K. Smothers, col-
ored.—Danville Advocate.

This accident is deeply deplored in
Lancaster where this admirable young
man had many relatives, being a first
cousin of Mrs. J. R. Mount and R. E.
McRoberts.

MOTHERS DAY.

The second Sunday in May is Mother's
Day. This year it falls on May 14.
The beautiful thought of setting aside
one day in the year to be devoted to
one's mother was first suggested by
Miss Anna Jarvis, of Philadelphia, who
founded the Mother's Day International
Association to provide the necessary
organized support for the fostering of
the movement. Thanks largely to her
efforts Mother's Day has become a re-
cognized institution as the day on which
each of us should pause to acknowledge
our debt of affection and gratitude to
the "best mother who ever lived" on
which we should be with her if we can
and if we unfortunately cannot, should
make a point of sending her a message
of affection and cheer.

In co-operation with the effort to fos-
ter the observance of Mother's Day,
the Western Union Telegraph Company
has provided special telegraph blanks,
appropriately decorated with an artistic
design of carnation and bearing the
legend "Mother's Day", on which all
messages of those who wish to send a
word of greeting or love to their moth-
ers on this occasion will be delivered.
It we cannot be with her on May 14,
let us remind her, in this way that she
is still with us in heart and love.
The emblem of the day is the white
carnation, and it is the hope of the
Mother's Day Association that it will
be worn by every one as a tribute of
respect, not only for his own mother,
but also for all the gentle and noble
motherhood of the land.

ACCEPTS GER- MANY'S PROMISES

The American Government has ac-
cepted Germany's promise to bring her
submarine warfare under the limitations
of the recognized rules of international
law as insisted upon by the United
States, and Washington now relies upon
a "scrupulous execution of the altered
policy." Germany is told in the note
just forwarded to Berlin that the Uni-
ted States Government cannot entertain
a suggestion that respect for the rights
of American citizens on the high seas
should in any way be made contingent
upon the conduct of any other Govern-
ment affecting the rights of neutrals
and noncombatants.

MID-SUMMER

PRESS MEETING.

The executive committee of the Ken-
tucky Press Association will meet at
the Seibach Hotel in Louisville, Sat-
urday at one o'clock to select dates for
holding the mid-summer meeting, which
will be held this year at Ashland. The
committee is composed of Robert J.
McHyde, Woodson May, B. F. Forgy,
F. M. Thomson and R. L. Elkin.

SUNDAY SCHOOL

ATTENDANCE.

The attendance at the various Sunday
Schools of the city and county as far
as we have been able to ascertain was
the largest ever recorded. In the city
the Christian church reported 303;
Presbyterian 92; Methodist 60; Baptist
109; New Antioch 48; Buckeye Baptist
216; Buckeye Methodist 208; Old An-
tioch 93; Fairview 103; Hyattsville 169;
Manse 88; Herring 83.

BETTER SCHOOL

ATTENDANCE.

The compulsory school attendance
law, it is believed, has been made effec-
tive by the remedification of the school
laws and approved by Governor A. O.
Stanley. Under the provisions of the
old law was all that could be placed
as a penalty against a person who fail-
ed to comply with its provisions but
the present law makes the offense a
misdemeanor and the parent or guardi-
an may be sent to jail to serve out the
fine for non-payment. It is thought
that the school attendance will be im-
mediately improved as the direct result
of the law.

TELEPHONE COMPANY

MAKING MONEY.

The following clipped from the Eliza-
beth Mirror is of much interest here
and no doubt many would like to have
a little of this stock. It says:
"The Hardin County Kentucky Tele-
phone Company is in a flourishing con-
dition. The directors at a meeting Fri-
day night declared an annual dividend
of 50 per cent., the greatest in all its
history. The company is a paying busi-
ness enterprise to Elizabethtown, as it
expends about \$5,000 annually in this
city. The company heretofore has been
reinvesting its earnings in repairs and
extensions, and it is now in a first-class
condition for business. The dividend
this year will be paid out to stockhold-
ers, either in June or July."

MALITIA TO GUARD

MEXICAN BORDER

National guardsmen of three States,
Arizona, New Mexico and Texas, were
called out by President Wilson Tuesday
to aid in protecting the border against
Mexican raiders.

In addition practically all remaining
mobile troops of the regular army were
ordered to join the border forces. By
these orders approximately 8,000 ad-
ditional troops were placed under Major
Gen. Funston's command. Behind the
orders is the plain intimation by admin-
istration officials that the whole strength
of the National Guard will be similarly
employed if necessary.

The orders were issued after a brief
conference between President Wilson
and Secretary Baker over a joint re-
port from Gen. Scott and Funston, at
El Paso. The two officers stated that
the Glenn Springs raid made it plain
that the border guard must be materi-
ally increased.

KENTUCKY DERBY

To Be Run Next Saturday.

On next Saturday, the 42nd renewal
of the Kentucky Derby will be run off
at the beautiful course of the New
Louisville Jockey Club, Louisville,
which is world-wide known as Churchill
Downs.

The Kentucky Derby which has been
run off over this track without break
of a single season since 1875, in this
year as in the last two seasons called a
\$15,000 stake, as in addition to the en-
tries fees and subscriptions, the New
Louisville Jockey Club adds \$19,000 to
the race.

The event has 56 nominations this
season, and the eligibles embrace stars
of the English and French, as well as
the American turf, it having this season
at least assumed the proportion of
an international race.

SCHOOL OF REFORM

Draws Three Of Our Youthful Negroes.

In Judge C. A. Arnold's court last
Tuesday, the four negro boys charged
with forging the name of William
Simpson to two checks, were found
guilty and three, James Nevius, Robert
Kennedy and Henry Warren were given
sentences in the School of Reform. The
case against George Jennings was dis-
missed. Robert Kennedy, who claims
to be only thirteen years old and who
appears from the evidence to have been
the "bell wether" of the worthless flock,
under his sentence is to remain until he
is twenty-one. This is James Nevius
second trip to this important school and
Judge Arnold thought a post-graduate
course of two years would about fit his
case. Henry Warren who seems an
adept at writing checks was also given
two years.

- TO THE -

CITIZENS OF GARRARD COUNTY.

On July the first 1916, I close my mill doors for the time
being. All parties that have flour in my mill on deposit are re-
quested to take same out on or before that date.
I want to thank the people of Garrard County for their pat-
ronage they have given me in twelve years that I have been in
the milling business. It has certainly been appreciated.
I leave the state after July the first with a warm spot in my
heart for the people of Garrard County.
Respectfully,

ALEX WALKER.
